WAREWASHING

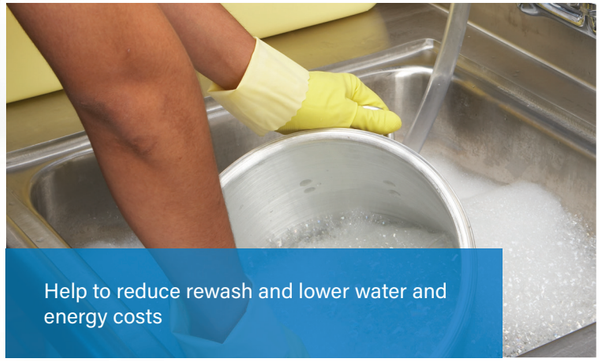
KEYSTONE™

A Spotless Shine Yields Greater Satisfaction

KEYSTONE ADVANTAGE

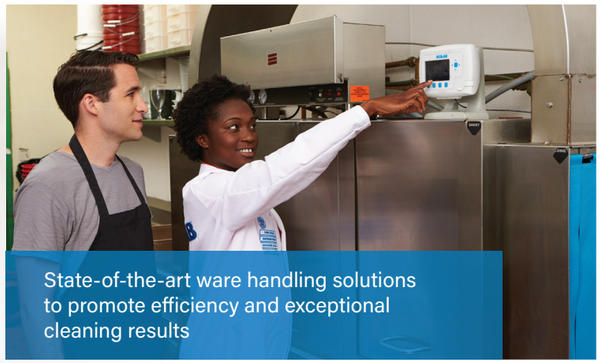
Installation, balancing dishmachine chemistry and on-site training

Dishmachine Rental Program with 24/7 support, inspections, parts and repairs



Help to reduce rewash and lower water and energy costs

A powerful program to help you shine



State-of-the-art ware handling solutions to promote efficiency and exceptional cleaning results

> Clean tableware ranked right at the top. It's a real call to action for restaurants to make sure they have the right procedures in place—the right equipment, the right chemicals—to be sure tableware is consistently clean and at a high standard every time."
>
> **— BOB GOLDIN, EVP, TECHNOMIC, INC.**

Warewashing:
Keystone™ Ultimate Program

Featuring proprietary chemistry and easy-to-use solutions, Keystone™ Ultimate is a complete warewashing system designed to optimize your operations, protect your reputation, delight your guests, and help you drive financial success.

INNOVATIVE CHEMISTRY
Highly effective formulas designed to eliminate the toughest food soils

ENHANCED SAFETY
Provides safety measures for **food preparation** that includes shape and color coordination to help reduce **risk of cross contamination** and promote **safer product handling** with **no PPE** required when diluted according to product use directions

DELIGHT YOUR GUESTS:
Demonstrate your commitment to a next-level guest experience with impeccable, shining wares

PROTECT YOUR REPUTATION:
Highly effective formulas result in exceptional levels of cleanliness and help build a strong food safety culture

OPTIMIZE YOUR OPERATIONS:
Keystone™ Ultimate solutions are formulated to clean the toughest food soils in the first pass, helping maximize kitchen efficiency and productivity

Save $301 Each Year by reducing energy usage by 301 therms

Save $256 Each Year by conserving up to 18,250 gallons of water[1]

Reduce Up to 249 Pounds of Plastic waste disposal every year[2]

Save Up to 18,250 Racks Run every year[3]

Reduce Labor Costs by $3,042 eliminating 304 hours annually

1 Based on running 500 racks per day and reducing racks by 10%.
2 Versus five-gallon plastic pails, based on running 500 racks per day.
3 Based on running 500 racks per day and reducing racks by 10%. Testing proved 61% reduction in rewash, resulting in 10% reduction in overall racks washed daily.
Results may vary based on your specific set of circumstances.

KEYSTONE™

MACHINE DETERGENTS

Keystone Ultimate Dishmachine Detergent
High-performing, concentrate machine warewashing detergent for use in soft to moderate water conditions, and effective on all types of food soils.

4-6.75 LB / PIC 6102318 / SUPC 7159563

Keystone Ultimate Dishmachine Detergent Specialty
100% chlorine free, high performing machine warewashing detergent for use in soft to moderate water hardness and regular soil loads. Effective on all dishware and soil conditions.

4-6.75 LB / PIC 6101344 / SUPC 4278820

MACHINE RINSE ADDITIVE

Keystone Ultimate Rinse Additive
High performing machine warewashing rinse additive for use in normal water conditions. Formulated to eliminate the need for hand drying or stacking wares while still wet, and delivers a spot-free performance.

1-2.5 LB / PIC 6101345 / SUPC 4278760

MACHINE SANITIZER

Solid Sanitizer (Keystone)
For use in Ecolab dishmachines with pellet dispensers for thorough sanitization and rinse-free ease. This formula performs well in all water conditions. EPA Reg. No. 1677-201

2-1000 Tablets / PIC 6100099 / SUPC 7637497

FLATWARE PRESOAK

Keystone Ultimate Presoak
Breaks down food soil films from starch and protein that machine washing can't remove, reducing the need for multiple rewashes.

3-4 LB / PIC 6102129 / SUPC 7112540

MANUAL POT & PAN DETERGENT

Keystone Ultimate Manual Detergent
Phosphorus and phosphate free concentrated, solid detergent that removes tough grease and soil for use in 3-compartment sinks. It cuts through the toughest food soils and thickest grease to get pots and pans clean efficiently with minimal scrubbing.

3-2 LB / PIC 6102074 / SUPC 7116646

3-COMPARTMENT SINK SANITIZER

Solid Quat Broad Range Sanitizer (Keystone)
Broad-range food contact surface sanitizer formulated for third sink and other non-porous hard surfaces to help ensure regulatory compliance and mitigate the risk of cross-contamination. The compact packaging reduces waste and storage space, and is spill-proof for easy handling and reduced risk of exposure.
EPA Reg. No. 5389-20

2-2 lb / PIC 6101367 / SUPC 4461400

KEYSTONE™ ULTIMATE MACHINE DETERGENT	KEYSTONE™ ULTIMATE RINSE ADDITIVE	KEYSTONE™ ULTIMATE PRESOAK	KEYSTONE™ ULTIMATE MANUAL DETERGENT	SOLID QUAT BROAD RANGE SANITIZER	SOLID SANITIZER
High-performing detergents for all types of food soils, ensuring clean dishes and wares	Improves performance for sparkling clean and spot-free dishes, even in hard water conditions	Reduces the need for rewash with a dual-enzyme formula to help break down food soils.	Mild detergent removes the toughest food soils and grease with minimal scrubbing	EPA-registered broad-range sanitizer helps maintain a clean kitchen environment and reduces food safety risk	Food contact surface sanitizer for use in low-temp dishmachines for sparkling and sanitized dishes

Warewashing: Dishmachine Solids Program

Advantages of the Keystone Solid Power™ XL Program

1. Automatically dispenses at the proper dilution to help control costs
2. Out-of-product alarm
3. Concentrated solid formulations are easy to handle and drop in
4. Multi-lingual labels and wall charts from Ecolab
5. 24/7 service, inspection, parts and repairs for the full line of high-performing leased dishmachines

MACHINE DETERGENT

Keystone Solid Power™ XL Dishmachine Detergent

Machine warewashing detergent helps to protect against the damaging effects of etch.

2-9 lb / PIC 6100184 / SUPC 8265625

MACHINE RINSE ADDITIVE

Keystone Solid Brilliance™

Reduces spotting for sparkling results in most water conditions.

1-2.5 lb / PIC 6100678 / SUPC 0982183

FLATWARE PRESOAK

Keystone Ultimate Presoak

Breaks down food soil films from starch and protein that machine washing can't remove, reducing the need for multiple rewashes.

3-4 LB / PIC 6102129 / SUPC 7112540

Keystone Unit Dose Presoak

Breaks down tough grime on flatware for a consistent clean with every wash cycle.

48 CT / PIC 6102700 / SUPC 7303533

KEYSTONE™

Warewashing: Dishmachine Liquids Program

EXCELLENT RESULTS | OPTIMAL SERVICE | HIGH EFFICIENCY

MACHINE DETERGENT

Keystone Liquid Dishmachine Detergent

For low-temp machines. Effective on all soils.

1-2.5 gal / PIC 6100039 / SUPC 7670118

MACHINE RINSE ADDITIVE

Keystone Liquid Rinse Additive

Reduces spotting and dry time in low-temp machines for higher efficiency.

1-2.5 gal / PIC 6100043 / SUPC 7681305

DELIMER

Keystone Lime-A-Way®

Versatile, multi-purpose lime scale remover that maximizes dishmachine performance.

2-1 gal / PIC 6100053 / SUPC 7670021

MACHINE SANITIZER

Keystone Sanitizer

Liquid chlorine sanitizer for all low-temp machines. EPA Reg. No. 1677-52

1-2.5 gal / PIC 6100101 / SUPC 7640010

SPECIALTY DETERGENT

Keystone Undercounter Machine Detergent

Chlorinated powder detergent recommended for undercounter machines.

100-1.5 oz / PIC 6100196 / SUPC 8409627

Warewashing:
Manual Program

EASY-TO-USE

EFFICIENCY

Advantages of the Mobile Solids Dispenser Program

1. **No-Splash Lid:** Fill sinks efficiently, without splash-back
2. **Dilution Diverter:** Manages water flow seamlessly for accurate dilution
3. **No-Slip Handle Mount:** Quickly clasps and locks onto sink partition and removes easily for storage
4. **Solid Chemistry Dispenser:** Designed to ensure proper dosage of solution for sparkling results
5. **No-Drip Tray:** Catches excess water after use

Kitchen staff use **3x to 5x TOO MUCH*** liquid detergent

MOBILE SOLIDS DISPENSER PROGRAM

Mobile Solids Dispenser - Manual Detergent

Ready-to-use dispenser that dispenses the proper amount of chemistry with the performance of industry-leading solid chemistries. This dispenser uses Keystone Ultimate Manual Detergent (6102074)

1 EA / PIC 9223-1103/ SUPC 4393268
3-2 LB / PIC 6102074 / SUPC 7116646

Mobile Solids Dispenser - Solid Quat Broad Range Sanitizer

Ready-to-use dispenser that dispenses the proper amount of chemistry with the performance of industry-leading solid chemistries. This dispenser uses Solid Quat Broad Range Sanitizer (6101367)

1 EA / PIC 9223-1104 / SUPC 4393254
2-2 LB / PIC 6101367 / SUPC 4461400

More Control. Made Easy.

Solids Program

MANUAL POT & PAN DETERGENT

Keystone Ultimate Manual Detergent

Phosphorus and phosphate free concentrated, solid detergent that removes tough grease and soil for use in 3-compartment sinks. It cuts through the toughest food soils and thickest grease to get pots and pans clean efficiently with minimal scrubbing.

3-2 LB / PIC 6102074 / SUPC 7116646

3-COMPARTMENT SINK SANITIZER

Solid Quat Broad Range Sanitizer (Keystone)

Broad-range food contact surface sanitizer formulated for third sink and other non-porous hard surfaces to help ensure regulatory compliance and mitigate the risk of cross-contamination. The compact packaging reduces waste and storage space, and is spill-proof for easy handling and reduced risk of exposure.
EPA Reg. No. 5389-20

2-2 lb / PIC 6101367 / SUPC 4461400

Liquids Program

MANUAL POT & PAN DETERGENT

Keystone Scrub Less Enzymatic 2-In-1 Detergent and Presoak

2-in-1 product performs as a presoak and/or manual detergent. Concentrated, enzymatic formulation that breaks down stubborn soil including protein and starches.

4-1 GAL / PIC 6102475 / SUPC 7217343

Keystone Pot and Pan Detergent

Concentrated liquid in a convenient five gallon size is effective on grease stains, baked-on soils and buildup.

1-5 gal / PIC 6100698 / SUPC 2287785

Keystone Pot and Pan Detergent

Effective on grease stains, baked-on soils and buildup. Requires less scrubbing for faster, better cleaning results.

9-32 oz / PIC 6100047 / SUPC 7666272
2-1 gal / PIC 6100046 / SUPC 7681341
2-2 L / PIC 6100045 / SUPC 7681337

Keystone Enzymatic Lavender Pot and Pan Detergent

Enjoy a fresh lavender scent while you cut through grease and soil on your pots and pans with long-lasting suds.

2-1 gal / PIC 6102612 / SUPC 7286690
6-32 oz / PIC 6102611 / SUPC 7286650

3-COMPARTMENT SINK SANITIZER

Keystone Sink & Surface Cleaner Sanitizer

EPA-registered, concentrated no-rinse 2-in-1 cleaner and sanitizer with a 15-second kill claim against SARS-CoV-2[1], and also kills Norovirus, common cold and flu viruses in 30-seconds.[2] This simplified solution can be used in the third compartment sink and on food contact surfaces. On food contact surfaces, this is a one-product solution that requires only two steps to clean and sanitize hard, non-porous surfaces while eliminating the rinse step and equipping staff to clean and sanitize more efficiently. It is effective across a dilution range of 0.27-0.55 oz per gallon of water. EPA-registered: 1677-260.

2 - 1 gal / PIC 6102031 / SUPC 7139716

[1] Refer to label for complete use instructions. Claim approved by EPA, state approval is in progress

[2] When used according to label

Keystone Multi-Quat Sanitizer

This third sink, concentrated liquid quat sanitizer is a no rinse formula that provides sanitization on hard, nonporous food contact surfaces, kitchen wares and utensils. The solution's wide efficacy range of 150-400 ppm stays within proper range longer.
EPA Reg. No. 1677-198.

2-2 L / PIC 6100091 / SUPC 7637569
2-1 gal / PIC 6100181 / SUPC 8116788

Warewashing:
Bar Program

NO RESIDUE

CONTROL COSTS

BETTER TASTE

Advantages of the Keystone Bar Program

- **No-residue washing and sanitizing solutions for sparkling glassware**
- **Water filtration for better-tasting mixed drinks, soda and ice**
- **High-performing, multi-surface cleaners help make a great first impression**
- **Specialty tools help keep behind-the-bar operations running smoothly**

Beverages Look and Taste Better Without Residue

PROBLEM

The head of foam on beer collapses easily as a result of food soils and chemical residues on unsanitary glasses. Using detergent not specifically made for manual bar glass washing may result in poor beverage quality and noticeable chemical residue.

SOLUTION

Bar Glass Detergents are specially formulated to leave no visible detergent residue in both hot and cold water.

Bar Glass Sanitizers are EPA-registered food contact surface sanitizers and won't impact smell or taste.

KEYSTONE™

MACHINE BAR PROGRAM

Keystone Liquid Undercounter Detergent

Concentrated, high-alkaline, heavy duty liquid detergent for machine warewashing.

2-1 gal / PIC 6100349 / SUPC 1979117

Keystone Liquid Rinse Additive

Liquid rinse additive for low temperature machines. Reduces spotting and drying time.

2-1 gal / PIC 6100348 / SUPC 1988569

Keystone Sanitizer

Liquid chlorine sanitizer and destainer specifically formulated for use in low temperature chemical warewashing machines. EPA Reg. No. 1677-52.

2-1 gal / PIC 6100350 / SUPC 2086520

MANUAL BAR PROGRAM

Keystone Liquid Bar Glass Detergent

A low-foaming liquid detergent that helps control cost and helps ensure accurate dilution while delighting your guests with spotless glasses.

2 - 64 OZ / PIC 6102323 / SUPC 7164291

Keystone Multi-Quat Sanitizer

Concentrated, no rinse quat sanitizer providing a wider sanitization range with maximum convenience. EPA Reg No. 1677-198

2 - 64 OZ / PIC 6102196 / SUPC 7155017

SPECIALTY TOOLS

Barmaid Submersible Motorized Pub Scrub

This submersible unit is designed for use behind the bar. UL, CSA and NSF approved.

5-6.5" Brushes / 96218285
Replacement Brushes (5-Pack) / 96218292

Manual Triple Glass Washer

This low-cost solution will aid in cleaning glasses behind the bar.

3-8" Brushes / 96218243
Replacement Brushes (5-Pack) / 96218318

Interlocking Bar Mat

Ideally suited for larger areas such as beverage and wait stations. Safe to run through the dishmachine.

12"x12" Bar Mat / 92972082

Interlocking Bar Mat Strip

Great for speed rails, underneath beer taps and in bar-top troughs.

3.5"x12" Mat Strip / 92972074

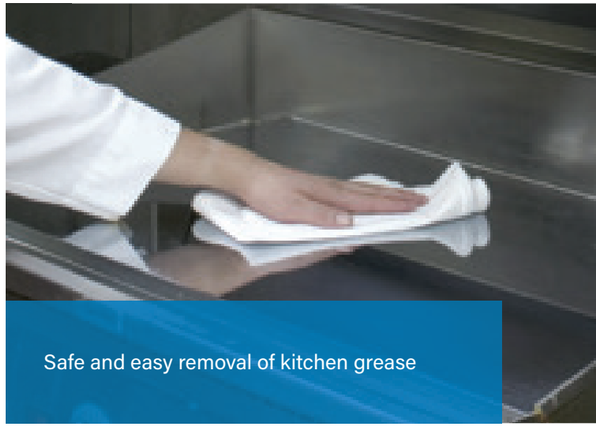
KITCHEN SURFACES

KEYSTONE™

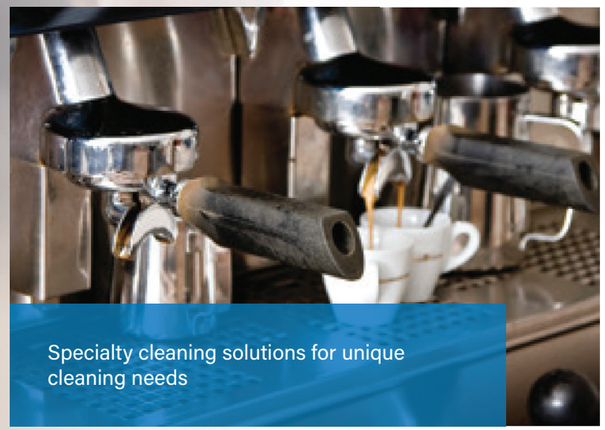
Cleaning Solutions for Every Operation

KEYSTONE ADVANTAGE

Onsite training and 24/7 support



Safe and easy removal of kitchen grease

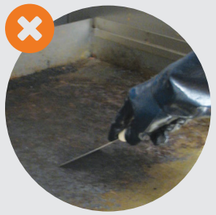


Specialty cleaning solutions for unique cleaning needs

Efficient, easy-to-use controlled dispensing system

Kitchen Surfaces
Grease Removal

Promoting Easier Grease Removal



PROBLEM

Dirty grill tops prove challenging to clean and can be a fire hazard

SOLUTION

Keystone High Temp Grill Cleaner works at high temperatures and strips grease buildup in 60 seconds.

Oven Cleaning Made Easy

PROBLEM

Greasy, dirty oven

SOLUTION

Keystone Greaselift™ provides complete coverage on vertical surfaces to remove grease, fast.

Simpler, Safer, Faster Fryer Cleaning

PROBLEM

Grease buildup inside of fryer

SOLUTION

Keystone Fryer Cleaner removes cooked-on carbon and grease quickly and easily.

KEYSTONE™

GRILL CLEANERS

Keystone High Temp Grill Cleaner

Fast grill cleaner that works at high temperatures.

30-3.6 fl oz / PIC 6102060 / SUPC 9901417
4-32 fl oz / PIC 6100056 / SUPC 7681477

Grease Express™ High-Temp Grill Cleaner Starter Kit

Clean grills quickly with a convenient starter kit. Kit contains 10- 3.6 oz packets, 1 no-scratch grill polisher and six pads, 1 squeegee.

Starter Kit / PIC 6110378 / SUPC 5529373

Keystone Fryer & Grill Cleaner

Concentrated dual-action formula works faster to cut grease.

4-1 gal / PIC 6100241 / SUPC 8412054

FRYER CLEANERS

Keystone Fryer Cleaner

Safely removes carbonized grease inside the fryer quickly and easily. Helps extend fryer oil life and improves food quality.

26-8 oz / PIC 6100055 / SUPC 7715420

Ecolab Fryer Tool Kit

Clean fryers easier. The long, narrow cleaning pads allow you to clean hard-to-reach areas while the stainless steel scrubber effectively removes stubborn deposits. Ideal for use with Keystone Express Fryer Cleaner.

Visual Compliance System Bucket

Our next-generation Sink & Surface Cleaner Sanitizer, paired with the visual compliance system, helps protect your reputation, staff, and customers. A unique window within the bucket holds an innovative test strip that indicates when it's time to change the solution, helping you stay in compliance.

1-6 qt / PIC 9006670

Test Strips (QT-40)

Confirms sanitizer concentration levels to help ensure compliance.

1-15 ft roll / PIC 92682248 / SUPC 4831901

Chlorine Test Strips (0-300ppm)

These strips incorporate the range generally required by Public Health Standards for sanitizing surfaces. Used for bleach based sanitizers. Colors determined by colorimetric analysis of free chlorine.

1-100 count / PIC 92682250 / SUPC 7370978

Visual Compliance System Indicator Strips

Works with the Visual Compliance Bucket to provide an at-a-glance indication concentration level of the Keystone Sink & Surface Cleaner Sanitizer.

1-200 count / PIC 900-61413

1 Rapid Multi Surface Disinfectant Cleaner is EPA registered (EPA Reg No 1677-272 for the concentrate and EPA Reg No 1677-273 for the RTU). Refer to the product label for complete listing of efficacy claims and directions for use.

FOOD CONTACT SANITIZER

Keystone Sink & Surface Cleaner Sanitizer

EPA-registered, concentrated no-rinse 2-in-1 cleaner and sanitizer with a 15-second kill claim against SARS-CoV-2[1], and also kills Norovirus, common cold and flu viruses in 30-seconds.[2] This simplified solution can be used in the third compartment sink and on food contact surfaces. On food contact surfaces, this is a one-product solution that requires only two steps to clean and sanitize hard, non-porous surfaces while eliminating the rinse step and equipping staff to clean and sanitize more efficiently. It is effective across a dilution range of 0.27-0.55 oz per gallon of water. EPA-registered: 1677-260.

2 - 1 gal / PIC 6102031 / SUPC 7139716

Sink & Surface Cleaner Sanitizer Test Strips

1-100 Count / PIC 53002284 (special order only)

Keystone Surface Cleaner Sanitizer RTU

An EPA-registered 2-in-1 RTU cleaner and sanitizer that kills SARS-CoV-2 in 15 seconds[1] and kills Norovirus, common cold and flu viruses in 30 seconds[2]. A simplified solution for food contact surfaces. This one product solution requires only two steps to clean and sanitize hard, non-porous surfaces while eliminating the rinse step and equipping staff to clean and sanitize more efficiently.
EPA Reg. No. 1677-259.

6 - 32 oz / PIC 6102229 / SUPC 7135491

FOOD SAFETY

Antimicrobial Fruit & Vegetable Treatment (Keystone)

Helps reduce harmful pathogens[3] on the surface of fresh produce and in wash water. Cleans off waxes and residues with no rinse required. Kosher certified. EPA Reg No. 1677-234

2-1 gal / PIC 6100353 / SUPC 1993338

Produce Handler & Strainer
1 Each / PIC 9233-1061 / SUPC 4274435

Antimicrobial Fruit & Vegetable Treatment Test Strips

Helps ensure Antimicrobial Fruit & Vegetable Treatment (Keystone) is within recommended concentration levels.

STAINLESS STEEL CLEANER & POLISH

Keystone Satin Shine Stainless Steel Cleaner & Polish Aerosol

Contains solvents and oils that both clean and polish. It restores sheen to all metal surfaces with a pleasant lemon scent.

6-16 oz / PIC 6100430 / SUPC 8894167

DESTAINER & BEVERAGE CLEANER

Triplet Plus (Keystone)

Cleaner and sanitizer for soft serve ice cream machines. Removes milkstone and protein buildup. EPA Reg. No. 5389-15-1677.

50-1 oz Packets / PIC 6100075 / SUPC 7637442

INSECTICIDES

Keystone Liquid Insecticide

An effective solution for crawling and flying insects that can be used on food contact surfaces, even while your facility is in operation.

2-24 fl oz / PIC 6100612 / SUPC 0596009

Aerosol Contact Insecticide (Keystone)

Active ingredient is the botanical pyrethrum that is approved to use on non-food contact surfaces. EPA Reg. No. 1021-2718-1677.

6-15 fl oz / PIC 6101051 / SUPC 3513381

LAUNDRY

Keystone Powder Laundry Detergent

Concentrated powder detergent with oxygen bleach. Safe to use on all colors.

1-25 lb / PIC 6100197 / SUPC 8412142

1 Refer to label for complete use instructions. Claim approved by EPA, state approval is in progress
2 When used according to label
3 *Escherichia coli* 0157:H7, *Listeria monocytogenes* and *Salmonella enterica*

FLOOR CARE AND DRAIN TREATMENT

KEYSTONE™

Floors Done Right the First Time

KEYSTONE ADVANTAGE

Personally delivered service including finding the right solution for your challenge

Products engineered to give you maximum clean and maximum effectiveness with minimal effort

Training and support programs to teach you and staff proper application techniques

Comprehensive line of products, tools and dispensers

Floor Care & Drain
Treatment Solutions

DESIGNED TO REDUCE CROSS-CONTAMINATION

HELPS CONTROL FRUIT FLY FEEDING & BREEDING GROUNDS IN DRAINS

HELPS REDUCE SLIPS AND FALLS/IMPROVE EMPLOYEE SAFETY

Sanitizing Wash 'n Walk™

kills **99%** of pathogens*

- Sanitizing properties help reduce the risk of cross-contamination
- Drain application helps control fruit fly feeding and breeding grounds and malodors
- Specially engineered to effectively emulsify grease, breaking down problematic grease buildup
- No-rinse formula, easy to train and use

*Including E. Coli, Listeria, Salmonella and Staphylococcus. With 5-minute contact time on non-food contact areas. EPA Reg No. 1677-239

1-2.5 GAL / PIC 6100739 / SUPC 2514028

KEYSTONE™

Total Floor & Drain Management with Sanitizing Wash 'n Walk™ (Keystone)

Easy Application Process for Total Floor & Drain Management

MOP FLOORS
Daily application cleans and sanitizes

SCRUB
Break down grease and grime build-up

FOAM DRAINS
Help eliminate odor causing bacteria

SQUEEGEE AWAY
Enzyme containing solution (do not rinse)

THE RIGHT TOOLS

Help improve employee and guest safety with NSFI-certified tools that improve traction.

Remove a step in the cleaning process and improve productivity

- Designed to reduce the risk of slips and falls by breaking down grease buildup
- Ergonomic design helps workers avoid injury

DRAIN TREATMENT

Keystone Drain Treatment

Biological grease digestant helps automatically maintain drains.

1-2.5 gal / PIC 6100052 / SUPC 7667583

TOOLS & ACCESSORIES

DuraLoc™ Starter Kit

An interlocking system of tools (mops, squeegees, brooms and accessories) designed exclusively for foodservice kitchen floors that come with a unique storage system

1 EA / PIC 92682617 / SUPC 7015154

DuraLoc™ Dual Cavity Mop Bucket

This rugged mop bucket features separate compartments for the cleaning solution and for dirty water, helping to eliminate contamination for a better clean.

1 EA / PIC 92682567 / SUPC 4398354

DuraLoc™ Universal Insert Holder

Connects DuraLoc™ tool inserts to DuraLoc™ handles. Sturdy, long-lasting construction. Required for DuraLoc™ Mops, Squeegees, and Angle Brooms.

1 EA / PIC 92682616 / SUPC 4349100

DuraLoc™ Grease Release Mop

The Grease Release Mop helps to improve floor traction. Requires DuraLoc™ Universal Insert Holder and DuraLoc™ Handle.

1 EA / PIC 92682556 / SUPC 4387769

DuraLoc™ Looped End Mop

Designed to offer excellent performance at a great value. Requires DuraLoc™ Universal Insert Holder and DuraLoc™ Handle.

1 EA / PIC 92682561 / SUPC 4935678

DuraLoc™ Big Dipper™

Fits into DuraLoc™ Deck Brush and helps ensure the correct dispensing of floor cleaning chemical. Requires DuraLoc™ Universal Insert Holder, DuraLoc™ Deck Brush, and DuraLoc™ Handle.

1 EA / PIC 92682586 / SUPC 4349179

DuraLoc™ Angle Broom Insert

Part of the DuraLoc™ tool system. Durable, long-lasting polyester bristles. Requires DuraLoc™ Universal Insert Holder and DuraLoc™ Handle.

1 EA / PIC 92682551 / SUPC 4475341

DuraLoc™ 54" Straight Handle, Lightweight

Lightweight aluminum construction. Fits DuraLoc™ tools

1 EA / PIC 92682612 / SUPC 4430072

DuraLoc™ Outdoor Sweep

Part of the DuraLoc™ tool system. Long-lasting polyester bristles make this a durable broom. Requires DuraLoc™ Handle.

1 EA / PIC 92682592 / SUPC 4947188

DuraLoc™ 54" Straight Overmold Handle

Durable handle made from aluminum core with plastic over-mold. Fits DuraLoc™ tools.

1 EA / PIC 92682611 / SUPC 4348946

DuraLoc™ Squeegee Insert, Moss Foam

Foam material works on all types of surfaces. Requires DuraLoc™ Universal Insert Holder and DuraLoc™ Handle.

1 EA / PIC 92682597 / SUPC 4499747

DuraLoc™ 24" Tool Holder System

Keep all your DuraLoc™ tools organized and off the floor with this unique snap-in storage system. Includes rail and 4 pucks with hardware.

1 EA / PIC 92682613 / SUPC 4348658

DuraLoc™ Squeegee Insert, Rubber

Durable, long-lasting material works best on smooth surfaces. Requires DuraLoc™ Universal Insert Holder and DuraLoc™ Handle.

1 EA / PIC 92682602 / SUPC 4387852

DuraLoc™ Tool Holder Double Hanger

Keep your DuraLoc™ tools organized and off the floor with this holder. Mounts directly to wall. Includes hardware.

1 EA / PIC 92682614 / SUPC 4499766

DuraLoc™ Deck Brush

Strong polyester bristles and extra stiff center bristles. Requires DuraLoc™ Handle. Use with optional Big Dipper

1 EA / PIC 92682587 / SUPC 4458081

DuraLoc™ Tool Holder Single Hanger

Keep your DuraLoc™ tools organized and off the floor with this holder. Mounts directly to wall. Includes hardware.

1 EA / PIC 92682615 / SUPC 4526329

DuraLoc™ Mop Brush

The DuraLoc™ Mop Brush attaches easily to the Universal Insert Holder and improves cleaning while mopping.

1 EA / PIC 92682566 / SUPC 4387686

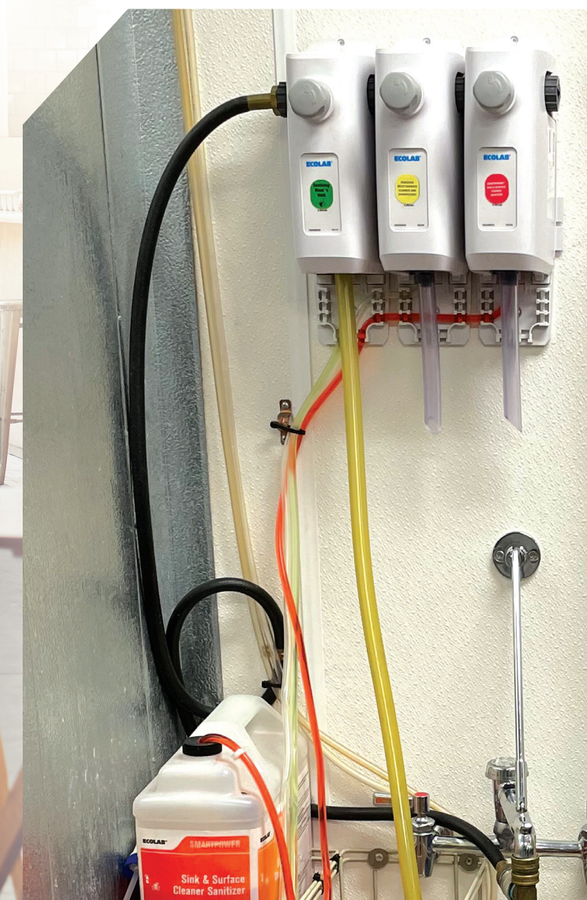
FRONT OF HOUSE

KEYSTONE™

Front of House Controlled Dispensing System

KEYSTONE ADVANTAGE

- OPTIMIZED RESULTS
- CONTROLLED DISPENSING
- EASY-TO-USE



Advantages of the Complete Dispensing System

1. Automatic dispensing provides the correct dilution
2. Closed dispensing means no manual mixing of chemicals
3. Fast, one-handed filling of spray bottles or buckets

Front of House
Surface Cleaners

Remove Greasy Soil or Film Easily

Tough on Grease

Keystone Orange Multi-Surface Cleaner is a streak-free, multi-surface cleaner with a pleasant orange fragrance. The nonabrasive formula is designed to remove tough greasy soils, films and smoke from multiple surfaces. Use on walls, floors, countertops, equipment, chrome, fixtures, tile, sinks, mirrors, glass, shower doors, and tubs.

Keep Wood Surfaces Looking Like New

Keystone Furniture Polish Aerosol cleans and protects wood furniture and a variety of surfaces

1 Rapid Multi Surface Disinfectant Cleaner is EPA registered (EPA Reg No 1677-272 for the concentrate and EPA Reg No 1677-273 for the RTU). Refer to the product label for complete listing of efficacy claims and directions for use.

MULTI-SURFACE CLEANERS

Keystone Rapid Multi Surface Disinfectant Cleaner RTU

6-32 OZ / PIC 6102268 / SUPC 7180880 / EPA REG. NO. 1677-273

Keystone Rapid Multi Surface Disinfectant Cleaner

4-in-1 disinfectant cleaner helps reduce the spread of illness[1] and optimize cleaning efficiencies to make cleaning easy on staff. Can be used on high touchpoint hard surfaces, mirrors, windows, glass, fixtures and soft surfaces.

2-2 L / PIC 6102262 / SUPC 7181122 / EPA REG. NO. 1677-272

Keystone Orange Multi-Surface Cleaner & Cleaner Ready-To-Use

Powerful, no-streak formula cleans greasy soils, film and smoke from multiple surfaces.

2-2 L / PIC 6100061 / SUPC 7682786
2-1 gal / PIC 6100062 / SUPC 7681566
4-32 fl oz / PIC 6100063 / SUPC 7682802

Keystone Vigoroso Lavender Multi-Surface Cleaner & Cleaner Ready-to-Use

Removes grease and grime from counters, tabletops walls and floors. Lavender scent.

4-1 gal / PIC 6100237 / SUPC 1293212
4-32 oz / PIC 6101112 / SUPC 4008359

Pine Multi-Surface Cleaner

You'll find multiple reasons to use Pine Multi-Surface on floors, tables, counters, glass, wood, plastic, walls and more. Grease, soil, dirt disappear in a spritz of fresh pine. Mix to your preferred concentration.

4-1 gal / PIC 6100064 / SUPC 7681797

GLASS CLEANER

Keystone Glass Cleaner & Glass Cleaner Ready-to-Use

Enhanced formula keeps glass and mirrors cleaner longer by helping to prevent fingerprints from appearing.

2-2 L / PIC 6100065 / SUPC 7666179
4-32 fl oz / PIC 6100067 / SUPC 7682790

STAINLESS STEEL CLEANERS & POLISHES

Keystone Furniture Polish Aerosol

Restore the past and protect the future with our special formula that helps fill micro scratches, while applying a long-lasting protective finish.

6-17 oz / PIC 6100200 / SUPC 8509364

Keystone Satin Shine Stainless Steel Cleaner & Polish Aerosol

Contains solvents and oils that both clean and polish. It restores sheen to all metal surfaces with a pleasant lemon scent.

6-16 oz / PIC 6100430 / SUPC 8894167

FOOD CONTACT SANITIZERS

Keystone Sink & Surface Cleaner Sanitizer

EPA-registered, concentrated no-rinse 2-in-1 cleaner and sanitizer with a 15-second kill claim against SARS-CoV-2[1], and also kills Norovirus, common cold and flu viruses in 30-seconds. [2]This simplified solution can be used in the third compartment sink and on food contact surfaces. On food contact surfaces, this is a one-product solution that requires only two steps to clean and sanitize hard, non-porous surfaces while eliminating the rinse step and equipping staff to clean and sanitize more efficiently. It is effective across a dilution range of 0.27-0.55 oz per gallon of water. EPA-registered: 1677-260.

2 - 1 gal / PIC 6102031 / SUPC 7139716

[1] Refer to label for complete use instructions. Claim approved by EPA, state approval is in progress

[2] When used according to label

Keystone Multi-Quat Sanitizer

This third sink, concentrated liquid quat sanitizer is a no-rinse formula that provides sanitization on hard, nonporous food contact surfaces, kitchen wares and utensils. The solution's wide efficacy range of 150-400 ppm stays within proper range longer. EPA Reg. No. 1677-198.

2-2 L / PIC 6100091 / SUPC 7637569
2-1 gal / PIC 6100181 / SUPC 8116788

FOOD CONTACT SANITIZERS CONT.

Keystone Surface Cleaner Sanitizer RTU

EPA-registered 2-in-1 RTU cleaner and sanitizer that kills SARS-CoV-2 in 15 seconds(1) and kills Norovirus, common cold and flu viruses in 30 seconds(2). A simplified solution for food contact surfaces. This one product solution requires only two steps to clean and sanitize hard, non-porous surfaces while eliminating the rinse step and equipping staff to clean and sanitize more efficiently. EPA Reg. No. 1677-259.

6 - 32 oz / PIC 6102229 / SUPC 7135491

TOOLS & ACCESSORIES

Foodservice Wipers

Super absorbent towels with a textured pattern that helps trap and pick up food particles. Box of 150.

White / PIC 90061715 / SUPC 7787361
Blue / PIC 92682324 / SUPC 7789201

Sanitizer Pails

Marked, dedicated-use red pails for sanitizing. Ergonomic plastic handles, recessed base for splash reduction and slanted lip for easier pouring. Durable, wear-resistant ink meets health department requirements.

1-6 qt / PIC 92681001 / SUPC 2431710

Detergent Pails

Marked, dedicated-use green pails for detergent solutions. Ergonomic plastic handles, recessed base for splash reduction and slanted lip for easier pouring. Durable, wear-resistant ink meets health department requirements.

1-6 qt / PIC 92681003 / SUPC 2518787

Visual Compliance System Bucket

Our next-generation Sink & Surface Cleaner Sanitizer, paired with the visual compliance system, helps protect your reputation, staff, and customers. A unique window within the bucket holds an innovative test strip that indicates when it's time to change the solution, helping you stay in compliance.

1-6 qt / 9006-1670 (special order only)

Test Strips (QT-40)

Confirms sanitizer concentration levels to help ensure compliance.

1-15 ft roll / PIC 92682248 / SUPC 4831901

Visual Compliance System Indicator Strips

Works with the Visual Compliance Bucket to provide an at-a-glance indication concentration level of the Keystone Sink & Surface Cleaner Sanitizer.

1-200 Count / PIC 90061413 (special order only)

Small Tablets. Big Efficiencies.

Keystone™

Unit Dose Tablet Program

Unit Dose tablets are available in a variety of sizes that cover all your everyday cleaning needs, from the back of the kitchen, to the front of the house, and every spot in between.

PERFORMANCE

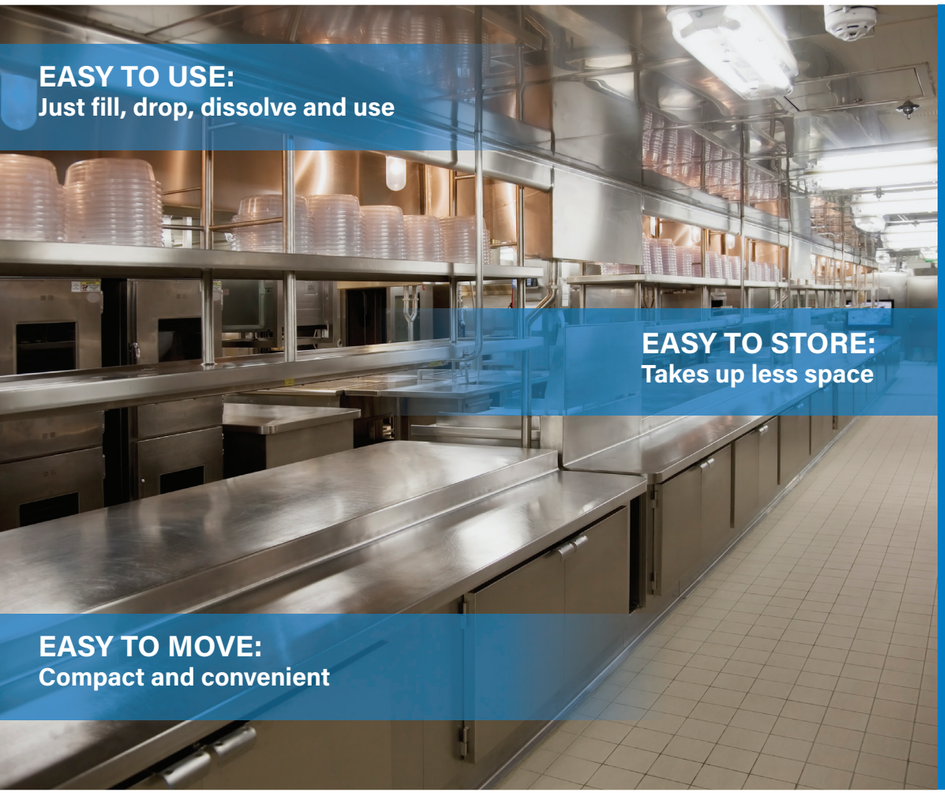
A commercial -grade clean

- Multi-use program for cohesive cleaning procedures and consistent results
- Shiny and clean finish, every time
- Designed for all your everyday cleaning needs

SIMPLICITY

The ease a restaurant needs to thrive

- Just add tablet to water and you're done
- No guesswork or measuring required
- Easy to train staff how to use



Cleanliness that works as hard as you do.

98.8% reduction in plastic waste[1]

Learn more about the Unit Dose Program

1 Reduced plastic and cardboard waste enabled by minimizing packaging weight and materials due to solid tablet chemistry. Further detailed information for each product value found is located in disclosure details on Ecolab.com/ReadyDose.

KEYSTONE™

FOOD PREPARATION & HANDLING

KEYSTONE™

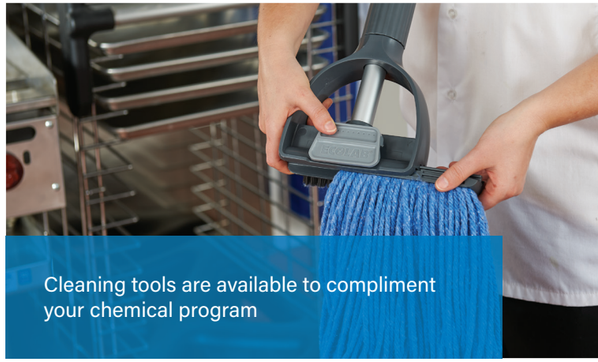
Help Secure Your Reputation with a Complete Food Safety Program

KEYSTONE ADVANTAGE

Labels are available in multiple adhesives for every type of restaurant environment and can assist in reducing your food costs

The right thermometers can minimize the potential for time and temperature abuse throughout the flow of food

Color-coded food safety tools and dedicated ice handling products help prevent cross-contamination



Cleaning tools are available to compliment your chemical program

Employee safety products allow you to provide a safer working environment for your employees

Food Preparation & Handling Solutions
Universal Labeling

DESIGNED TO SAVE TIME

HELP CONTROL COSTS

SAFER FOOD

What's great about Keystone™ Universal Labels?

- With 7 day-of-the-week colors included, one roll can take the place of 7 rolls
- Reduce label ordering/inventory complexity with one label for all days of the week

Universal Dissolvable Labels

Dissolvable paper labels dissolve within seconds when immersed in water of any temperature

Universal Plastic Removable Labels

Printed on a waterproof, removable plastic that leaves no label residue, even after washing

Contact your local Ecolab or Sysco representative for further product details and ordering information.

FOOD ROTATION

Prep n Print®

Save time, ensure accuracy and simplify labeling. A comprehensive food rotation program in an intelligent, portable, contained printer that stores, calculates and prints Daydots on demand.

Hang-N-Go™ Dispensers

These dispensers hang f rom standard wire shelving racks. Store labels where you need them for ultimate efficiency.

Dissolvable Labels

Labels disappear in seconds when immersed in water. Size and day of the week options available.

Label Guns

Great for food rotation, date controlling, receiving, QC labeling and inventory labeling. Single and double line available. Must use Daydots labels.

Plastic Removable Labels

Paper labels that must be removed before washing or water contact. Size and day of the week options available.

Saddle Portion Bags

Allows two employees to work simultaneously, one handed filling. Size and day of week options available.

Permanent Paper Labels

Labels that have permanent adhesive.

Loose Pack Portion Bags

Fold-top bags resemble traditional sandwich bags. Size and day of week options available.

KEYSTONE™

PREPNPRINT™ with flex

PrepnPrint

Prep-n-Print™ with *flex* Labels

Labels specifically designed for Prep-n-Print *flex* printers.

These labels will not work in standard Prep-n-Print systems.

FOOD HANDLING

Ice Handler Buckets

Prevent ice contamination with this bucket dedicated to ice only.

Pan Covers

Color-coded pan covers help reduce cross-contamination. Available in common pan sizes.

Cutting Boards

Help eliminate foodborne illness and cross-contamination with color-coded cutting boards.

FOOD TEMPERATURE CONTROL

Food Temperature Control

Thermometers help support HACCP programs and help keep customers safe from foodborne illness.

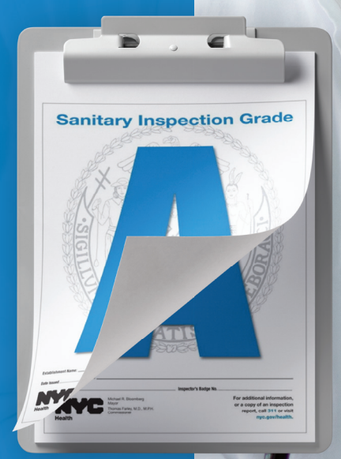
Dishwasher Temp Labels

Helps ensure your operation adheres to FDA Food Code that states that surfaces should reach 160˚F while being washed in a high-temp dishmachine. Available in 160˚, 170˚ and 180˚.

Refrigerator / Freezer Thermometers

Verify your equipment is maintaining the correct temperature and help ensure that food is being held at the proper temperature, essential for safe storage.

ADDITIONAL SERVICES



KEYSTONE™

Helping Keep Your Business Safe Every Step of the Way

KEYSTONE ADVANTAGE

Innovative, science-based solutions delivered by rigorously trained pest specialists who deliver consistent and precise execution of service protocols

Customized, comprehensive onsite evaluations and training to help our customers maintain high standards of safety, guest experience and brand protection

Regular inspection, treatment and monitoring, with action-driven reporting after each visit

Onsite food safety assessments, coaching and training to help you minimize food safety risks and deliver safe food and healthy environments

Pest Elimination

Sanitary Solutions
That Help Protect Against Pests

GUARD AGAINST PESTS WITH COMPREHENSIVE COVERAGE

- Help reduce pest-related food safety and health issues
- Minimize comped meals, lost inventory, structural damage and litigation caused by pest presence
- Help avoid health inspection citations and regulatory fines

RATS & MICE

Inspect for structural issues and follow an outside-in approach to keep rodents out.

COCKROACHES

Provide a proven process that flushes out and quickly kills cockroaches, then treats harborage sites to prevent them from coming back.

SMALL & LARGE FLIES

Helps eliminate existing populations using discrete interior and exterior treatments, patented solutions to treat habitats and keep infestations at bay to keep flies out of your restaurant.

ANTS

Determine species, locate nests and apply the best solution to eliminate ants.

KEYSTONE™

EcoSure® Food Safety Programs

Comprehensive programs to help promote a culture of food safety and help protect your guests, employees and reputation from foodborne illness and other food safety risks.

CORE FOOD SAFETY PROGRAM

The Comprehensive Onsite Risk Evaluation (CORE) Food Safety Program helps drive behavior change and minimize food safety risk. With the program you'll get:

- **ONSITE ASSESSMENTS**
- **EXPERT COACHING AND TRAINING**
- **RECOMMENDED CORRECTIVE ACTIONS AND SOLUTIONS**
- **FOOD SAFETY SUPPORT AND RESOURCES** including a food safety resource line, newsletters, webinars, and readiness kits

NOROVIRUS CONTROL PROGRAM

Put the proper controls in place to help protect against a norovirus outbreak. With this program you'll get:

- **ONSITE EDUCATION AND TRAINING** on best practices for outbreak prevention
- **NOROVIRUS CONTROL KIT** a set of tools to help prevent and respond to outbreaks
- **PEACE OF MIND THAT YOU ARE DOING MORE TO HELP REDUCE RISK**

Contact us to learn how EcoSure can help your business improve its food safety program, protect against norovirus and do better on its next health inspection.

KEYSTONE™

Help Protect Your Business. Keep Customers Safe.
