

CLEAN YOUR GRILL FASTER

High Temp Grill Cleaner

- Eliminates grill downtime
- Strips grease build-up in just 60 seconds
- No rinse needed
- Available in 3.6 oz packets to reduce over-use

DIRECTIONS FOR USE:

1. Turn off grill and scrape to remove the burnt-on soils.
2. While grill is hot, apply a thin coating of High-Temp Grill Cleaner over entire surface and let sit for one minute.
3. Gently scrub grill with grill pad.
4. Squeegee product soils into the grease tray.
5. Wipe grill clean and re-season the grill.

NOTE:

Flat-top grill must be hot when cleaning. Always wear protective equipment. Applying cold water or large amounts of water can severely damage the grill.

Formulated to **remove baked-on carbon and grease without cooling** your grill.
