

QUICKLY REMOVE
BAKED-ON GREASE

Keystone Heavy Duty Degreaser

- ▲ Powerful ingredients cut through tough grease
- ▲ Effective formula helps reduce streaking
- ▲ Clings to vertical surfaces

Clean ovens, hoods, broilers
and other kitchen equipment
with ease.

Keystone Heavy Duty Degreaser

quickly removes baked-on deposits and carbonized grease from stainless steel food preparation surfaces such as ovens, stove hoods, vents, grills, broilers and deep fat fryers.

DIRECTIONS FOR USE:

1. Spray product onto the food preparation or food cooking surface to be cleaned.
2. Allow product to penetrate baked-on grease deposits for 10-15 minutes, depending on the thickness of the deposits. Do not let product dry on surface.
3. Wipe off dissolved and loosened baked-on grease with a damp cloth or scrub pad.
4. Rinse with potable water.

NOTE: Product works faster when applied to a warm 49° - 54°C (120° - 130°F) surface.

Keystone combines the foodservice knowledge of Sysco, with the cleaning and sanitization expertise of Ecolab. Our experienced and dedicated sales teams provide you personalized support to help you run a clean and safe operation.
