- ▲ Active ingredient is the natural botanical pyrethrum that is approved to use in food areas
- ▲ For use in restaurants, schools, hotels, supermarkets and other facilities

.....

Broad use, easy-to-use aerosol helps keep your operation free of common pests.

.....

Keystone Aerosol Contact Insecticide kills crawling, flying insects and bed bugs.

DIRECTIONS FOR USE:

Shake before using and at intervals during prolonged use:

- 1. Hold container upright with nozzle facing away from you.
- 2. Press valve down and spray as directed.
- 3. To avoid possible staining of fabrics or surfaces, do not spray at close range.

Keystone combines the foodservice knowledge of Sysco, with the cleaning and sanitization expertise of Ecolab. Our experienced and dedicated sales teams provide you personalized support to help you run a clean and safe operation.
