

KILL 99.9% OF GERMS IN THE RESTROOM

# Keystone Bleach Disinfectant Cleaner

- Cleans, removes stains and disinfects all in one product
- EPA registered<sup>1</sup> solution specially formulated to kill 99.9% of germs
- Kills Norovirus and Hepatitis A in 1 minute
- Deodorizes while leaving a clean, light bleach scent

## DIRECTIONS FOR USE:

(Read complete directions for use on product label before using this product.)

**For cleaning and stain removal,** spray onto surface and allow product to penetrate tough stains and soil. Wipe with a wet sponge or cloth and rinse with water. No scrubbing required.

**For deodorizing,** spray onto surface and allow to remain wet for 30 seconds. Wipe clean. Allow to air dry.

**To disinfect** hard, non-porous surfaces, spray 6-8 inches from surface until thoroughly wet. Let stand for required time<sup>2</sup>. Rinse or wipe clean. Allow to air dry.

A **simplified** procedure for **cleaning, disinfecting** and **stain removal**.
